Second Annual Head & Neck Cancer Symposium

Saturday, April 27, 2013 • 7:15 a.m.-1 p.m.
Baptist Hospital of Miami, Auditorium, 8900 North Kendall Drive, Miami, Florida

TARGET AUDIENCE • Family Medicine Physicians, Dentists, Otolaryngologists, Gastroenterologists, Radiologists, Medical Oncologists, Oral Maxillofacial Surgeons, Endocrinologists, Pathologists, Pediatricians, Nurses, Radiation Technologists, Nutritionists, Respiratory Therapists and Occupational Therapists.

SYMPOSIUM OVERVIEW • Baptist Hospital’s Head and Neck Cancer Team, a comprehensive model of multidisciplinary, site-specific cancer care at Baptist Health, will present “Contemporary Concepts of Salivary Gland Tumors and Management of Oral Manifestations of Bisphosphonate Therapy.” Faculty and participants will examine the changing landscape of the multidisciplinary treatments for salivary gland tumors, bisphosphonate therapy and the management of osteonecrosis. Nationally recognized experts will focus on the evidence-based treatment schema.

For more information, go to HNCancerSymposium.BaptistHealth.net or call 786-596-2398.
